SUMMARY

UX Designer dedicated to achieving impactful results, I am enthusiastic about embracing dynamic challenges and leveraging creativity to create intuitive user experiences. I have showcased my skills in project management, user-centered problem-solving, and effective collaboration across diverse teams.

EXPERIENCE

Instant Chartz App, Morcelle Program - January 2021 to Present

Creative Lab Company

- Led the development of a sophisticated automation system, which resulted in a 15% increase in operational efficiency.
- Improved manufacturing processes, contributing to a 10% decrease in production costs.
- Implemented preventive maintenance strategies, resulting in a 20% reduction in equipment downtime.

System UX Engineer, XarrowAI Industries - June 2018 to December 2020

Bold Design Studio

- Orchestrated testing and validation processes to ensure adherence to industry standards.
- Offered technical expertise, resulting in a 15% decrease in system failures.
